

# Bad Debt Policy

We discourage meal charges, but we understand that occasional emergency's make it necessary.

The following policy will apply regarding charges:

- \* Families owing \$25 or more will no longer be able to charge a meal.
- \* If a family owes money on the last day of school we will add it to their facts agreement.

Returned Checks will be charged a fee and payment is due immediately in the form of cashier's check or cash, which would be the overdraft fee plus the amount of the check.
