

Meal Charge Policy

Funding for school lunch accounts is as follows:

- Cash or check placed in an envelope labeled with student's name will be turned in to classroom teacher or to school office. All deposits before 9am are put in PowerSchool that day. Any deposits after 9am may be put in PowerSchool the following school day.
- We encourage parents to make meal payments in advance. Parents may pay daily, weekly or monthly. Parents may check student lunch account balance on PowerSchool at <https://jacs.powerschool.com/public/home.html>
- If you are unable to afford lunch, you may be eligible for free or reduced lunch for your child(ren) through the State of Michigan. *Free and Reduced Lunch* applications may be obtained in the school office or on our website at <https://www.jcsstjohn.org/lunch.html>. Completed applications may be turned in at the school office.
