Prize Value Example:

2000 tickets sold at \$100 each = \$200,000 total sales

\$200,000 total sales for 50/50 split = \$100,000 in prize money

\$100,000 ÷ 10 months = \$10,000 monthly prize money

\$10,000 monthly prize money ÷ 2 = \$5,000 per prize.
