2022-2023 Tuition and Registration – *Contrary to popular belief, tuition alone does not pay the bills at any Catholic school. The cost to educate one child in our K-6 program is approximately \$6,300. Our parish picks up a great deal of this cost, relying heavily on the offertory collection at the weekend Masses. That is one reason why it is so critical that families are registered with our parish and that they attend Sunday Mass, contributing to the Sunday collection to the extent that they are able.*

There will be a 5% increase for both preschool and K-6 tuition at all of our elementary schools for the 2022-2023 school year. The tuition for preschool 3s (T/Th mornings) is \$1235, and preschool 4/young 5s (M/W/F full day) is \$2835. Our Little Saints Preschool Enrichment Program offers options for additional days and hours. Please see the preschool flyer on the back for pricing information, or call the school office for more information.

The elementary tuition for all Jackson Catholic schools is:

1 Child (K-6)	\$3770
2 Children (K-6)	\$6620
3+ Children (K-6)	\$8560

Tuition for LCCS 7-12 will be paid to Lumen Christi with multiple child discounts applying for 7-12 students. Multiple child discounts at the elementary schools will be for students in K-6.

Registration for the 2022-2023 school year is now open. We will continue to use FACTS for registration, tuition assistance application, as well as for tuition collection. This allows families to register all children in one easy step. **The non-refundable registration fee is \$75 per family if paid by February 28. The fee for returning families jumps to \$150 on March 1.**

Financial Assistance – Some tuition assistance for K-6 students is available through the school. The Diocese of Lansing offers financial assistance for K-12 students. There is no financial assistance for preschool, preschool enrichment or latchkey as these programs are self-sustaining.

Application for ALL Financial Aid/Scholarship Assistance – Families who are seeking financial assistance for the 2022-2023 school year will use the FACTS site to complete the application process. Parents need only complete the FACTS financial assistance application. This information is used by both the diocese and the area schools.

We strongly encourage all parents to apply before the March 1st deadline.

To access the FACTS website, go to our school website at www.jcsstjohn.org and click on "Tuition" in the "About" dropdown menu across the top of the homepage.
