

12/2/2022

December and advent is upon us. Thanksgiving was a great kickoff to helping the students understand the importance of giving. Hopefully we can keep that theme going for the next few weeks. Our semester exams will be the week of December 19th. Wednesday, Thursday and Friday that week will be a half day for all students. Dismissal will be at 10:15 on those days. We are encouraging students to advocate for themselves when it comes to their grades by initiating conversations with the teachers on any make-up work to be done. The end of the semester is coming quickly and we would like them to be proactive and not wait until it's too late. Ending with something nice, congratulations to the middle school band for an awesome performance!

- **For High School Students:** You are invited to attend the 2023 March for Life in Washington, DC with LC Students for Life! The trip will leave the evening of Thursday, Jan. 19, 2023 and return the morning of Sunday, Jan. 22, 2023. There are limited spots available this year. If you are interested in signing up, please fill out this [google form](#). The \$100 deposit is due Friday, Dec. 9, 2022. The trip will cost \$350 per person to attend. Talk to Ms. Fluegemann if you have any questions!
- **Parents of student athletes:** if you haven't received your Healthy Roster invitation please email Sarah at swilhelm@myjacs.org with your student athlete's name. Healthy Roster is a free mobile app/website connecting athletes and parents with your athletic trainer in a HIPAA and FERPA compliant way.
- **From the registrar:** We are approaching the end of our Quarter 2 and Semester 1 marking terms. High school semester exams are only 2 weeks away! During the week of December 19th high school courses will have exams and middle school courses will conduct their Quarter 2 Assessments. We will still be in Semester 1 after Christmas Break, with the last day of term on Thursday, January 12th. Parents and Students should regularly be checking their PowerSchool Portal accounts. Look for assignments that need to be turned in and be prepared for your exams - they make up 20% of the high school semester grade.
- **Seniors-** Keep Naviance updated as to what schools you get in and keep track of what scholarship money that you get offered. If you don't know how, please see your counselor. It just takes a few minutes. And please continue to check your emails for scholarships.
- **Sophomores-** If you were not able to select courses for the Career Center field trip that we take in early spring, please see Miss Kernstock as soon as possible. Even if you have NO INTEREST in attending the program, ALL sophomores go on the visit, so you might as well select careers that you are interested in, rather than just getting random ones.
