SPOILER ALERT! Seussical the Musical is fantastic! I hope you are able to get out to see our amazing students perform this weekend. We are $\frac{3}{4}$ of the way done with this school year- pause for seniors screaming with joy- and spring sports are now underway. We wrapped the winter season last weekend with success for our gymnasts and swimmers. Great job to all winter athletes! Our high school robotics team has another competition over spring break and we wish them well.

Both HS and MS registration nights were a success. If your student has not turned in their registration form, be sure to turn it in by Tuesday, March 21st.
